GREAT THINGS ARE GOING ON AT PEPPERDINE: ANNUAL TRADITIONS CONTINUE WITH WAVE OF FLAGS MEMORIAL AND STEP FORWARD DAY ON SEPTEMBER 11 IN ALUMNI PARK

To honor the victims of the September 11, 2001 terrorist attacks, Pepperdine University plans to once again stage a dramatic display of American flags on the lawn adjacent to Pacific Coast Highway beginning September 11 by placing one flag for each of the thousands of lives lost on that tragic day. The 2010 memorial will include American and multinational flags honoring the different nationalities of those who died during the attacks.

On that same day, Pepperdine hosts its 22 Annual Step Forward Day

Pepperdine students, alumni, and friends to participate in Annual Step Forward day September 11.

CREST ASSOCIATE GREG BONNAN CREATES A CHANCE FOR CHILDREN

Pepperdine's Malibu campus was alive with activity this summer including the 18th annual week long summer camp for 40 at-risk youth sponsored by A Chance for Children Foundation, a nonprofit organization founded by Crest Associate and Baywatch creator Greg Bonann and Tai Collins, cofounder and executive director of the foundation. This camp seeks to improve the lives of homeless and inner-city children from the Los Angeles area by teaching them confidence-building skills and ways to achieve their goals. For many of the children, this camp is a once-in-a-lifetime experience. Campers participate in surf lessons, individual swimming lessons, and scuba-diving lessons. Children are also given the opportunity to ride on a Los Angeles County Lifeguard boat and see a U.S. Coast Guard helicopter. The growing foundation also funds after-school programs and reading and tutoring sessions. For more information about the program visit www.achanceforchildren.org.

Crest Associate Greg Bonnan and Tai Collins, cofounders of A Chance for Children Foundation continue annual summer camp for homeless and inner-city children at Pepperdine in Malibu.
