CREST BOARD LAUNCHES PEPPERDINE AMBASSADOR COUNCIL MENTOR PROGRAM

Crest Advisory Board members and Pepperdine Ambassador Council students gathered for a special dinner and introduction to the Crest mentor program on November 10. The event was graciously hosted by Barry and Sharon Garapedian in their stunning Agoura Hills home. This annual fall dinner brings together Crest Advisory Board members who generously volunteer their time to mentor Pepperdine Ambassador Council students in their fields of expertise. Ambassador Council students had an opportunity to introduce themselves and present their career aspirations and passions in life. Special thanks to Crest Board for serving students and providing motivational leadership in our student mentoring program. If you would like to be involved with the program, please call the Crest Office at (310) 506-4745.

PEPPERDINE JOINS WITH THE MALIBU COMMUNITY TO HONOR OUR VETERANS

The Malibu Chamber of Commerce and the City of Malibu held its 11th annual Veterans Day Community Ceremony on November 11 at Malibu Bluffs Park to honor our veteran and current armed forces—the brave and dedicated men and women who defend our freedom. Several veterans and members of the Pepperdine community gave speeches to honor our armed forces during the ceremony. Several Seaver College students and local youth organizations and schools participated in the ceremony as well. Crest Associates are proud to have the opportunity to show our gratitude to American soldiers from all branches of the military.

DON'T MISS THE FREE PREMIER OF *LIFE IS NOT A MUSICAL: THE MUSICAL* AT PEPPERDINE DECEMBER 11!

Come on out to support The Pepperdine Film Society, a new Pepperdine student club on campus for their premier of *Life is Not a Musical: The Musical* on December 11 in Elkins Auditorium. Crest Associates are invited to attend a special reception from 6:30 to 7:45 p.m. adjacent to Elkins Auditorium and the show which begins at 8:00 p.m. Admission is free. This feature-length movie musical, written by seniors Paul Casey and Zane Miller, about how the cheery fantasy of the musical world sometimes just doesn't match up with the reality of life. Over 100 Pepperdine students were involved in the production, and handled everything from acting to lighting on this entirely student produced project. The project was funded by Pepperdine's Student Government Association and Inter-Club Council, with an endorsement from the Center for Entertainment, Media and Culture. It features students from almost every department at Pepperdine, and involved cooperation between the Center for the Arts, Fine Arts Department, Communications Department and many more. From pre-production to premiere, the movie has been in the works for almost two years. The finished project will include the feature-length film, musical studio album, and a companion documentary, directed by senior Stan Parker. After the premiere, the production team hopes to submit the movie to various film festivals. Check out our trailers and production journals on YouTube: [Life is Not a Musical YouTube Channel](#) and visit [Lifeisnotamusical.com](#) for more information.

PEPPERDINE CAMPUS LIFE PROJECT REACHES IMPORTANT MILESTONE

Pepperdine University's is excited about launching the proposed Campus Life Project, which represents a long-term vision by the University to enhance the quality of life of its students by upgrading existing facilities and creating new amenities to meet the educational, housing, athletic, and recreational needs of today. We are at the beginning of the project's public review and approval process for this project, which will enhance our student experience here on campus, as well as add features that you will enjoy as you visit campus. We will have improved track facilities with restrooms, a new events center to enjoy athletic games, additional parking, and there will be more access to the Firestone Fieldhouse recreational facilities as we will have additional new recreational space for our students-athletes at the far side of campus. As our closest community friends, we appreciate your ongoing support for our students and Pepperdine University through the Crest Associates program and value you as our extended family. In addition, you are welcome to help us with this project by writing letters or e-mails in support of the Campus Life Project.
