## PEPPERDINE CELEBRATED WAVES WEEKEND—CREST HOSTED HEADLINES OF HISTORY COMMUNITY RECEPTION AND TENNIS MIXER!

Crest Associates hosted two special events to kick off Pepperdine's 75th Anniversary year of celebrations during Waves Weekend in October! Among the speakers at the Crest *Headlines of History* reception were President Andrew Benton, Crest Board member Grant Adamson, and Crest Board chair Kevin Steele ('81). They each shared stories of the many ways being involved with Pepperdine has enriched their lives. The 75th Anniversary historical display will remain on exhibit as we celebrate this anniversary year. We encourage you to come by to view the display on the third floor of Thornton Administrative Center during office hours and learn more about Pepperdine's history. As part of Waves Weekend, Crest Associates also hosted a fun tennis mixer combining Crest Associates and the Pepperdine community at the Ralphs-Straus Tennis Center.

Crest wishes to thank Crest Advisory Board member Grant Adamson for speaking at the Pepperdine *Headlines of History* Reception. He shared the significance of his family's legacy with the University that helped make Pepperdine what it is today.

Pepperdine Crest Associates, students, alumni, parents and friends helped kick off the beginning of Pepperdine's 75th Anniversary celebrations at the Crest tennis mixer during Waves Weekend!
