GREEN WORKS

Pepperdine hosts an Annual Earth Day Celebration

PEPPERDINE CELEBRATED EARTH DAY WITH COMMUNITY AT THE MALIBU CAMPUS!

The Green Team is a group of dedicated members of the Pepperdine Community - students, faculty, and staff - working to better our world by educating campus and community on living a sustainable lifestyle. They partnered with the Center for Sustainability and the community for Pepperdine's Annual Earth Day Celebration in April. Some activities included e-waste recycling, a tour of Pepperdine's organic community garden, free food, and multiple educational exhibits.

PEPPERDINE NAMED ONE OF THE TOP 322 GREEN COLLEGES IN NORTH AMERICA

In the guide's profile on Pepperdine, which received a Green Rating of 85, The Princeton Review highlights the University's percentages of food budget spent on local or organic food, waste-diversion rate, school energy from renewable sources, and school cleaning products that are green certified. Additionally, it was noted that Pepperdine employs a sustainability officer, offers guidance on green jobs, and provides transportation alternatives such as vanpools and carpool parking.
