Summer Lectureship

**LECTURESHIP PROGRAM**

## **WELCOME, LECTURESHIP VISITORS**

The entire Pepperdine College community extends to you a hearty welcome to the 6th annual Pepperdine Summer Bible Lectureship. We have anticipated your arrival and hope that you will enjoy your stay with us. Please call upon us for any assistance we can render.

## **PLEASE REGISTER**

We urge you to visit the registration tables located in the lobby of the College auditorium. The Associated Women for Pepperdine are official registrars this year and we are anxious to meet and greet you. Pick up a label identification card and leave us your name and address. We need a record of your visit and you will want to receive information regarding future Pepperdine lecture series.

## **A PROGRAM FOR YOU**

The theme for this summer lectureship, "Christ For Our Contemporaries," is vital and timely. Challenging speakers from all sections of America will be addressing our audiences. The noted Bible School staff of the church in Madison, Tennessee, has come to share their ideas with us. A special youth workshop has been planned for the teenagers.

Budget your time wisely: attend every class and lecture which your schedule will allow. Take notes; ask questions; make suggestions. Let's take advantage of every ounce of spiritual energy which this week provides.
