

News from the Crest

THE PEPPERDINE UNIVERSITY RALEIGH RUNNELS MEMORIAL POOL IS OPEN!

The new pool opened for Crest Associates use on September 27! Thank you for your continued support and patience during the closure. Please take note of the most current campus construction update. We will provide the most up-to-date information on our website.

- Work will continue in some areas near the pool, such as at the utility and storage enclosures.
- Access to the pool may be only through Firestone Fieldhouse at first, but the stairs from the street nearest the pool will be complete very soon.
- For now, the nearest disabled parking will be the existing spaces at the driveway to the Tennis Center. Unfortunately, wheelchair access from there to the pool will be via the steep sidewalk on John Tyler Drive, and then through the Fieldhouse. When the project is complete, wheelchair access to the pool and FFH will be from new disabled accessible parking in the FFH lot, via a new ramp to the Heritage Hall elevator. That fully accessible pathway will be complete near the end of October.

Welcome to the new Pepperdine Ambassadors Council of 2013! We look forward to working on many projects with them throughout the year in their crisp, blue blazers!
