CHILD CARE CENTER
(Vermont Church Building)

The Associated Women for Pepperdine will provide care during the Lectureship in order that mothers may attend. Children will be cared for in the Vermont church building. A planned program of supervised activities will be provided. A nominal fee of 75c per family per session will be charged for the morning and evening sessions, 50c per family for the afternoon session. Light refreshments will be served. The following suggestions are made in order that the children may be cared for in a better way:

(1) You are requested to pay when you bring your child. The child must be both signed in and out by the parent.

(2) The daily sessions are as follows:
   1st session—8:45 a.m. to 12:00 noon.
   2nd session—2:00 p.m. to 4:15 p.m.
   3rd session—7:00 p.m. to 9:30 p.m.

However, there is one exception to the times for these sessions. Child care will be provided on Tuesday during the AWP Dinner and the Fellowship Dinner.

(3) Bring an ample supply of the child’s needs during his stay (bottles, diapers, training pants, etc.) with his name taped to the bottle, diaper bag, and other personal belongings.

(4) Come promptly to pick up your child after the sessions. With the exceptions noted above, the child care center closes each day at 4:15 p.m. and 9:30 p.m.

THE

1969
THE CHURCH JESUS BUILT

This attractive full color series has been prepared by teachers who are members of the church Jesus built and is based on the experience and study level of the pupil.

The simple aim of this series is to create within the student a greater appreciation for Jesus and his church.

The Key Words in this series are CHURCH . . . JESUS.

It is probably correct to say that there is no more misunderstood subject in the religious realm than the Church of the New Testament. This is true, not because the Word of the Lord does not make the truth about the Church very plain, but because of so many misconceptions that have sprung up through the years about Christ and the Church.

This course will enable the student to see the Church as an integral part of the eternal love of God, wisely revealed through the ages. It will allow him, through the Word of God, to see the significance of the inseparable connection between Jesus and His Church; thus generating within the heart a burning desire to return that divine love through a dedicated life of service in "THE CHURCH JESUS BUILT".

Unique School Calendar

Three full semesters (1½ school years) in 11 months. Since there are now three semesters each year, the word trimester is used. Each trimester is fully equivalent to a regular college semester and has the same unit value.

- Fall Trimester: September - December
- Winter Trimester: January - April
- Spring Trimester: April - August

- Graduation may be accelerated to two years and nine months by attending all three trimesters each year.
- A student may remain on a four-year schedule by taking two trimesters each year.
• Both a bachelor's degree and a master's degree may be earned in four years at the accelerated pace.

• A student may begin study at any trimester—in September or January or April.

• Students who complete any two trimesters (32 units) earn a full year of college work.

• The trimester calendar increases part-time work opportunities.

• Many students arrange a more leisurely pace by taking fewer classes over three trimesters, which permits more time for study; and yet they remain on a four-year (or less) graduation plan.

Admissions Determination

The qualities we look for in a Pepperdine student cannot be limited only to grade averages and test scores, as important as these are. We are looking for the “A” student who seeks creative interests greater than grades, the “B” student who is excited by an educational adventure, and the “C” student who responds to the stimulation of a college challenge.

Transfer Students

Students who have attended accredited colleges may enter Pepperdine with advanced standing at any trimester. Pepperdine normally grants a maximum of 70 units completed with minimum grades of C (2.0) from accredited Junior Colleges. Transfer students may apply for all financial aids.
Financial Aid

• Typical costs for one trimester or one-half year of college: Tuition for 15 units at $45 per unit—$675*, fees—$10; books and supplies—$50; room and board—$465. A generous aid program is available to those who need assistance to attend Pepperdine.

• Scholarships ranging from $800 to $4,000.**

• Special Achievement Awards in art, journalism, music, speech and drama, and physical education (baseball, basketball, tennis, and track) ranging from $800 to $5,000

• Citizenship awards (leadership recognition) of $1,200

• Work opportunities are excellent. The Placement Office assists students in finding well-paying part-time employment.

• Generous loans are available.

*Tuition will vary according to the number of units taken.

**Scholarship and award figures are based on eight semesters.
