

News from the CREST

KEEPING FRIENDS AND NEIGHBORS OF PEPPERDINE INFORMED ABOUT CURRENT EVENTS AND PROGRAMS.

WAVES OF FLAGS

Join students, fellow alumni, along with friends and family (kids over 12), to raise the flags at Pepperdine's Alumni Park on the Malibu campus on Saturday, September 6, 2014, 1 – 3 PM. If you have any questions, please e-mail Stacy Rothberg at stacy.rothberg@pepperdine.edu or contact her at 310.506.6272.

HELP A STUDENT DISCERN THEIR CAREER GOALS! BECOME A PROJECT e(X)TERNSHIP HOST!

Project e(X)ternship is an alternative spring break job shadow program allowing students to shadow a Pepperdine alumnus, parent, or friend of the University for 1-3 days. This year Project e(X)ternship will take place March 2-6, 2015. There is no cost to you as a host; students are responsible for their own transportation, lodging, and food during the experience. Students will apply, interview, and attend a professional boot camp in order to prepare them for the experience.

Students are eager to learn from your experience! Will you join us? For more information and student testimonials about project externship please visit seaver.pepperdine.edu/careercenter/alumni/helpawave/projectexternship.htm or contact Rachael Bratlien, alumni career services manager at 310.506.7781.

Deadline to host a Student is Friday, September 26, 2014.

PEPPERDINE AND WATER CONSERVATION

Pepperdine is committed to sustainability and water conservation, and uses a multitude of best practices to ensure our usage is ecologically responsible. Since 1972 we have been the leaders in recycling campus irrigation water using tertiary treatment. This treatment occurs at both Tapia reclamation plant and Malibu Mesa reclamation plant. Our reclaimed water accounts for 99 percent of irrigation and is stored in our two lakes on Campus where it is cleaned and maintained for further use.

Pepperdine uses a very sophisticated irrigation monitoring program, designed to conserve water and reduce runoff. The University's renowned green lawn was specifically selected to ensure reuse of all of the recycled water generated. Pepperdine has saved nearly 4 billion gallons of water since the construction of the campus, and will continue efforts to protect one of California's most precious resources. For more information please visit pepperdine.edu/sustainability.

"You are never too old to set another goal or to dream a new dream."

-C. S. Lewis, English Author and Christian Apologist
