FROM DEATH TO LIFE: THE NEW MAN

Welcome to the 32nd Annual Bible Lectureship at Pepperdine.

We are delighted that you can be with us for these few days. We hope you will be challenged and inspired in your personal relation to Christ, and that the church where you worship will be benefited from the time you are here.

We have made a special effort to offer a program that can be applied in a practical way to local congregational life. If what you receive is good, please share it with others. If you see areas that need improving, please let us know. This is your lectureship, and we want to serve you in making it the best experience possible.

Have a great Lectureship!

Tony Ash
Director

With so many classes and lectures, it is impossible to expect a complete unanimity of view from every speaker. We feel that all participants should be free to develop their topics as they wish. Though we are concerned that everything be true to scripture, we know you will understand that selection of a participant does not imply complete endorsement of everything that speaker might say.
