Dear Fellow Christians,

On behalf of Pepperdine University, I am happy to welcome you to our Malibu campus for the 37th annual Bible Lectureship. This Lectureship is one of the significant ways in which the University maintains its relationship to the Churches of Christ.

Serving the church is central to the mission of Pepperdine University. The Office of Church Services, under the direction of Carl Mitchell and with the assistance of Don Williams, plans various workshops and activities throughout the year for elders, deacons, teachers, young people, and other Christian workers. The annual Bible Lectureship is the largest of these activities.

We hope that the lectures and the fellowship of this week will be an inspiration to all who attend, and that all of us will be moved to greater fulfillment of God’s purpose for us.

Howard A. White
President, Pepperdine University
