LIGHT LIFE & LOVE

THE MINISTRY OF JESUS
IN THE GOSPEL OF JOHN

From The President

Dear Fellow Christians:

It is with great pleasure that I welcome you as a guest of the 39th annual Bible Lectureship. This Lectureship is one of the significant ways in which the University maintains its relationship to the Churches of Christ.

Serving the church is central to the mission of Pepperdine University. The fulfillment of this mission is the daily goal of the Department of Church Services as it plans various workshops and activities throughout the year for the brotherhood. The annual Bible Lectureship is the largest of these activities.

We hope that the lectures and the fellowship during this program will be an inspiration to all who attend, and that all of us will be moved to greater fulfillment of God's purpose for us.

Howard A. White
President, Pepperdine University

From The Director

Dear Christian Friends,

Welcome to our campus and best wishes to each of you as you share this time of Christian fellowship and spiritual renewal. This time together will be a growth experience: growth in the Word through a daily exploration of the ministry of Jesus in the Gospel of John; growth in fellowship from time spent with hundreds of fellow Christians; and growth in spiritual commitment.

Please register at Lectureship Central if you are not staying in our dorms. For dormitory housing, check the information at the back of this booklet. A Daily News Bulletin will be provided at Lectureship Central which will note special items and possible changes in the program. Evaluation forms will also be provided there for your input for future Lectureships.

Thank you for coming. It is our prayer that you will grow with us in our love for the Lord and for His people.

Michael C. Armour
Lectureship Director

Lectureship Coordinator is Glenda Taylor. For special problems or information, contact her at 213/456-4270 or at Lectureship Central (Ext. 270).
