EMBRACING THE CALL OF GOD

GREAT THEMES FROM GENESIS

60TH ANNUAL
PEPPERDINE UNIVERSITY
BIBLE LECTURES
APRIL 29 - MAY 2, 2003
Embracing the Call of God

“Now the Lord said to Abram,

‘Go from your country and your kindred
And your father’s house to the land that I will
Show you. I will make you a great nation,
And I will bless you and make your name great,
So that you will be a blessing. I will bless those
Who bless you, and the one who curses you I will
curse; and in you all the families of the earth
shall be blessed.’

So Abram went,
as the Lord had told him…”

Genesis 12:1-4a
New Revised Standard Version
Message from the President

After three years of lectures on New Testament themes, the 60th Annual Pepperdine Bible Lectures return to the Old Testament, to the Book of Genesis... but not simply to a dim, dusty recital of origins. The lecture titles reveal sweeping subjects that address our spiritual lives here and now, and it seems certain that our week together will have profound effects on many believers for years to come.

We begin with a challenging view of the call of Abraham, a view that will encourage us to see that each of us has a very real call from God. Tom Brokaw wrote of the “Greatest Generation,” and that same generation in the church (people like Batsell Barrett Baxter, Otis Gatewood, Ira North, Norvel and Helen Young, and countless others) heard God’s call and responded with astonishing accomplishments. Each subsequent generation, including ours, must embrace its own divine call and respond in faith.

In a directionless and terrorized world, we should seriously consider the promises and provisions of God. This is the moment for us to acknowledge the Creator’s presence in our world and in our individual lives. Contemporary life is engulfed in struggle, and at times we ourselves struggle with God through our willfulness. Yet He remains faithful. Our week concludes with a reminder that God triumphs over every evil thought and deed—and over the Evil One.

Genesis is about beginnings, and we are expecting dramatic new beginnings to come from this week. Some will embrace again the call of God on their lives, understanding His marvelous promises and provisions. And some will see afresh God’s faithfulness and power to overcome the evil in our society and in ourselves.

These days in spring will be packed with classes, music and drama presentations, fellowship, and much more. I believe you are in for a life-changing experience. In a sense, these are sacred days... days that may be the “genesis” of extraordinary things to come!

Andrew K. Benton
President

This year’s theme, “EMBRACING THE CALL OF GOD,” circles back to the beginning—not simply to Genesis, the beginning book of the Bible, but to the elemental truth of that great book: God has entered His creation and has spoken to His creatures. More than that, He has invited—compellingly called—one man, and through him all people, into covenant relationship with Himself...
“Now the Lord said to Abram, ‘Go from your country and your father’s house and the land of your birth to the land I will show you. I will make you into a great nation, and I will bless you and make your name great. For you will be a blessing. And I will bless those who bless you, and the one who curses you I will curse. And in you all the families of the earth will be blessed.’

Pepperdine University Affirms

That God is revealed uniquely in Christ

That the educational process may not, with impunity, be divorced from the divine process

That the student, as a person of infinite dignity, is the heart of the educational enterprise

That the quality of student life is a valid concern of the University

That truth, having nothing to fear from investigation, should be pursued relentlessly in every discipline

That spiritual commitment, tolerating no excuse for mediocrity, demands the highest standards of academic excellence

That freedom, whether spiritual, intellectual, or economic, is indivisible

That knowledge calls, ultimately, for a life of service
Message from the Lectures Team

After long months of praying, dreaming, and planning, the 60th Annual Pepperdine Bible Lectures are upon us. Though some university lecture programs are older than this one, nevertheless, six decades of spiritual conferences at Pepperdine represent a significant investment in the life and strength of the local and global church.

Pepperdine was founded in 1937, but it was a few years later, in 1943 during the dark days of World War II, when the Bible Lectures were created to serve the church. Since that time, this spiritual forum has continued to present compelling themes that challenge the church to greater faithfulness. However, there was one year when the lectures did not take place. No, it wasn't a time of war or national disaster that cancelled the lectures. The year was 1957—as the college was struggling, like Jacob of old, with its vision and mission. However, with the coming of M. Norvel Young as president and J. P. Sanders as dean, Pepperdine's direction was decided and its course charted. The Bible Lectures began again the next year and have continued faithfully for nearly a half-century since that time.

This year’s theme, “Embracing the Call of God,” circles back to the beginning—not simply to Genesis, the beginning book of the Bible, but to the elemental truth of that great book: God has entered His creation and has spoken to His creatures. More than that, He has invited—compellingly called—one man, and through him all people, into covenant relationship with Himself, a call which ultimately must lead to service and holiness. The Call was the very beginning of the long, ancient road that stretched from human failure and disastrous sin to the triumphant, redemptive work of God Himself through Christ.

As your lectures team, we are excited about our slate of teachers, presenters, and encouragers from across America and around the world. And we commend to you seven outstanding theme lecturers from California, North Carolina, Tennessee, Georgia, Texas, and even Glasgow, Scotland.

Our student workers and all the dedicated staff of the Church Relations office stand ready to make your time on campus a true spiritual experience that will inspire you and your church in the days ahead. Welcome to Malibu and to Pepperdine University—to a wonderful conference of spiritual brothers and sisters. Our prayer is that, by the end of the week, you will embrace your own call from the living God.

Appreciation Dinner in Honor of Steven & Emily Lemley  
Place: Rockwell Dining Center  
Please purchase tickets ($9.95) in advance at Ticket Sales tables.

Steven Lemley saw Emily Young in the library of Lubbock Christian College and said, “I’m going to marry that girl.” They both transferred to Pepperdine and took advantage of the new Heidelberg, Germany program in their junior year. Steven graduated in December 1966 and began his master’s work at Pepperdine. When Emily graduated in April 1967, they married the next week at the Vermont Avenue Church of Christ. They spent their early-married years in Garden Grove working as associates with J. P. Sanders, then dean of Pepperdine, who preached for the Newland Street Church of Christ. Steven worked with the youth, ran VBS, and led an evangelism program, and Emily worked on her master’s degree at Pepperdine.

In January 1970, the Lemleys moved to Columbus, Ohio, where Steven completed a Ph.D. at Ohio State and preached for the Newark-Health Church of Christ. Emily did editorial work for 20th Century Christian, and they started editing the daily devotional guide, Power for Today. In December 1971, David was born. In April they moved to California where Steven worked as associate dean of students at Pepperdine. Their daughter, Amy, was born in 1974, and the Lemleys went as the faculty family to Heidelberg. Upon returning, Steven became dean of students. Son Mark was born in 1977.

In 1978, Steven became academic dean for Lubbock Christian College. After four years, he accepted the presidency. He served eleven years as president, and is remembered as the leader who moved the college to university status and brought financial stability to the institution. At LCU, Emily worked with the women’s support group and spoke for civic and church groups. During the last four Lubbock years, she earned her Ed.D. from Texas Tech University. She taught freshman English at LCU and Texas Tech. In 1993, Steven was invited to become the provost of Pepperdine University, a role in which he served for seven years.

After nearly 30 years in administration, Steven moved to full-time teaching. In his first year, a student poll named him one of the faculty who best expressed his Christian faith in the classroom. Emily worked for four years as associate director of Church Relations. She speaks for women’s seminars and retreats across America and for the last five years has been teaching director for the Malibu Community Bible Study class. The Lemleys are proud grandparents of Anna, and their greatest joy is being around their grown children: David and his wife, Angie; Amy and her husband, Jeff; and Mark. Steven and Emily continue to edit Power for Today, which serves more than 47,000 subscribers, the largest paid subscription magazine among Churches of Christ.

A Reminder
NATIONAL DAY OF PRAYER
Thursday, May 1, 2003

Pepperdine University reminds those attending the Bible Lectures that the National Day of Prayer occurs during our time together. This annual emphasis on prayer, established by an act of Congress, encourages Americans to pray for our nation, its people and its leaders. The theme for the National Day of Prayer in 2003 is “Righteousness Exalts a Nation.”

“Righteousness exalts a nation, but sin is a disgrace to any people”
(Proverbs 14:34)

“Blessed is the nation whose God is the Lord.”
(Psalm 33:12)

REMEMBERING J. P. SANDERS, 1906–2002

For years, the final voice heard at the Pepperdine Bible Lectures was that of J. P. Sanders as he dismissed us in God’s keeping. J. P. became chairman of the religion department in Pepperdine College’s third year. After four years, he moved to Nashville to become dean of David Lipscomb College. In 1957, longtime friend M. Norvel Young became the third president of Pepperdine and insisted that Sanders become the college’s third dean. Young and Sanders turned the economic and philosophic direction of Pepperdine toward its present day course. Dr. Sanders became executive vice president of Columbia Christian College in Portland, Oregon, in 1970. Four years later, he was appointed president. After 12 years, he returned to Pepperdine as professor of religion. J. P. Sanders will be remembered as a fine scholar, an outstanding university administrator, and a wonderful preacher and Christian leader. He is survived by his wife, Gloria, and their three sons.

Appreciation Dinner in Honor of Tony & Barbara Ash
Place: Rockwell Dining Center
Please purchase tickets ($9.95) in advance at Ticket Sales tables.

Barbara Bailey from Huntsville, Alabama, and Anthony Lee Ash from Eugene, Oregon, met as students at Florida Christian College in 1952. They were married in January 1955. Tony graduated from Florida State University with a B.S. degree in speech in 1956 and from Abilene Christian University with an M.A. in Old Testament in 1959. The couple moved to California in 1959 and Tony enrolled in a doctoral program at the University of Southern California. They returned to Texas in 1962 where Tony joined the Bible faculty at ACU. He completed his Ph.D. in church history at USC in 1966.

The decade at ACU, from 1962 to 1972, was a very busy time. In addition to their involvement in college life, Tony and Barbara served in ministry with three Churches of Christ: Northside, 1963-65; College, 1965-66; and Minter Lane, 1966-1972. During these years Barbara began her career in Civil Service employment, and Tony wrote books on prayer and love and published commentaries on Luke and Acts. In the summer of 1972 the Ashes answered the call from Pepperdine University urging them to return to California. When the new campus opened in Malibu in September 1972, Tony was serving as chairman of the Religion Division, preacher for the Malibu Church of Christ, and director of the Pepperdine Bible Lectures.

After three busy years at Pepperdine, the Ashes moved to Austin, Texas, and Tony began a decade of teaching at the Institute for Christian Studies. Barbara returned to college during these years and received a B.S. in sociology from St. Edward’s University in 1980 and an M.S. in counseling from Southwest Texas State in 1983. Tony preached for the Brentwood Oaks and Westover Hills churches during the Austin years. Tony and Barbara made their final move in 1985, returning to serve again at ACU. Barbara’s career at Dyess Air Force Base spanned sixteen years. When she retired from Dyess in 2001 she was the Education Services Officer. Barbara celebrated her retirement and fulfilled a lifetime goal by jumping out of a plane (accompanied by a parachute).

**Housing Information**
Since Pepperdine's Bible Lectures occur during the semester break, dormitory space is available to our lecture guests. To reserve space, please include $80.00 per twin bed when you mail your registration form. This charge covers all four nights (Tuesday through Friday). Due to the great demand for on-campus housing, dorm beds are reserved for adults only (age 21 and over). Children and young people (under age 21) will be housed free of charge, provided they bring sleeping bags and sleep on the floor. Regardless of how many nights you stay, the fee remains the same.

If you plan to come to the lectures for only one day or two, we strongly suggest that you provide for your own sleeping accommodations by staying with a friend or by making a motel reservation with one of the motels listed on page 40. Due to the limited number of beds on campus, preference is given to those who are staying for the entire week (Tuesday through Friday nights).

**Please bring your own bedding.** Linens are available ($18.00 per set) only to those who are either arriving by plane or are from out of state and make arrangements in advance. Dorms will be open from 2:00 p.m. on Tuesday, April 29, through 10:00 a.m. on Saturday, May 3. **Please do not arrive on campus to check into your dorm room before 2:00 p.m. on Tuesday, April 29.**

When you arrive on campus, go directly to your pre-assigned dorm where you will obtain a packet of materials and your dorm room key. Housing check-in will begin promptly at 2:00 p.m. on April 29th and end at 6:00 p.m. on the same day. If you arrive after 6:00 p.m., go to Firestone Fieldhouse for the evening lecture. Following the evening lecture, housing check-in will continue in the lobby of Dorm 1 and Apt. A-19.

Dorm reservations must be received by February 20.

**No registration will be accepted over the phone.** Rooms will be pre-assigned and no changes will be made. Indicate on your reservation form special housing requests, such as rooming close to a friend or with a particular church group, or health concerns. A confirmation of room assignment will be mailed to you by April 10.

**WE MUST ADVISE YOU THAT, SHOULD YOU DECIDE TO CANCEL YOUR RESERVATION FOR ANY REASON, DORM FEES ARE NON-REFUNDABLE AND NON-TRANSFERABLE.** Check-out time will be no later than 10:00 a.m. on Saturday, May 3. Please return your key to the box provided in your dorm lobby. There is a $35.00 charge for all unreturned keys. Rented linens must be collected and placed in your dorm lobby.

Always ask for the PEPPERDINE BIBLE LECTURES GROUP RATE when making reservations. Rates are subject to availability. Most rates are subject to a cut-off date of April 1, 2003. The Church Relations Office will provide a hotel/motel information and price list upon request.

Beginnings. At the first annual Pepperdine Bible Lectures held on the Los Angeles campus in January 1943, in the dark days of WWII, church leaders assembled for a photo. Among those in the front row are (L-R): Jimmie Lovell (far left), G.W. Riggs (with cane), J.M. McCaleb, C.R. Nichol, George Pepperdine, Hugh Tiner, E.V. Pullias, and W.B. West, Jr. Nichol was featured lecturer, and West was Bible Lectures director.
In early May 2002, the elders of the University Church of Christ on the campus of Pepperdine University in Malibu announced the most ambitious and exciting advancement in the church's history. The church leaders chose the occasion of the 59th Annual Pepperdine Bible Lectures to reveal plans to build the first ever permanent worship and teaching facility of the congregation.

Since its formation in 1970, the University Church has borrowed facilities from Seaver College, using either the small Stauffer Chapel or the slightly larger Elkins Auditorium for its assemblies. Bible classes have relied on nearby college classrooms. The drawbacks and inconveniences of this system are obvious: classroom arrangements, equipment, and decorative posting had to be set up and taken down after each usage, and worship facilities designed for other purposes had to be altered week by week. Above all is the lack of space for recent growth. Hopefully, all that will be only a memory in the future when the new facility is completed.

Pepperdine has granted a building site to the church on the University's Drescher Graduate Campus, now being constructed high on the hills above Seaver College. The church building will have an inspiring and commanding view of Santa Monica Bay and the "diamond necklace," the coastal lights of the south bay that sparkle like gems at night across the sea.

Pepperdine President Andrew K. Benton has announced the University's cooperation with the campus church in seeking construction funds. The church elders noted the daunting task of raising the $10 million-plus needed for construction. Extensive hillside grading and earthquake-resistant foundations push the construction costs higher than normal. But the finished product will be something the entire fellowship of Churches of Christ can be proud of, providing greater opportunities to minister to the community and to students for generations to come.

The proposed auditorium of the facility will seat 1,500 worshippers. Classrooms for all ages will be arranged around the perimeter, affording ocean views. An area is designated for a preschool, and nearby housing will make workshops and conferences for the church at large a possibility. Also included in the plan is a large parking structure.

The University Church consists of a core of about 100 adult residential members, plus several hundreds of college students from across the nation. For decades the primary outreach of the church has been to the sons and daughters of both church members and non-members. Each year, there are a number of students who come to Christ during their time at Seaver College. Of course, the University Church supports many other ministries, such as two full-time campus ministers and several student interns, a pulpit minister and a youth minister, benevolent missions to Baja California, children's and teen ministries, and so on. However, the large increase in the number of students who are interested in worshipping and working with the church has stretched the limits of the borrowed facilities. Leaders of the church and the University decided that the time has come for a new vision.

The elders are calling the building project, "A Home for the Heart," with the idea that, for 30 years, Pepperdine has prepared a place that cultivates the soul and mind. But the campus church must be prepared to serve as the heart of a great university, in the same way that each of the Oxford and Cambridge colleges is built around the college chapel. In this way, the University and the church may love God with "heart and soul and mind."

The church leadership and the University are calling on Christians around the world to join the small group of core families in building a beacon that will last as long as the University stands, to the glory of God. A church that ministers to the young adults of many congregations ought to be uplifted by those same congregations. Contact the University Church of Christ, Pepperdine University, or the Church Relations Office if you would like to help.

The Pepperdine University Bible Lectures began in January 1943 and were modeled after similar programs at Abilene Christian, David Lipscomb, and Harding universities. Throughout the 1940s, this significant annual forum grew in popularity, but the early 1950s saw a decline in attendance, and no program was scheduled in 1957.

The Bible Lectures took on new life with the arrival of M. Norvel Young and J. P. Sanders in the fall of that year. And by 1961, the keynote lecture program had to be moved to the Shrine Auditorium to accommodate the large numbers of people who wanted to attend. In the following years, the huge Los Angeles Sports Arena became the scene for the largest evening lectures.

The University added a special program of summer Bible Lectures for 10 years beginning in 1958. However, the programs were again declining in attendance by the late 1960s and the summer lectures ended in 1967.

When Pepperdine moved to its new campus in Malibu in 1972, there was a renewal of interest in the Bible Lectures. Since that time, the lectures have grown in interest and attendance every year.

As the University moves forward into the future, it is fully committed to pursuing the very highest academic standards within a context which celebrates and extends the spiritual and ethical ideals of the Christian faith. And we are convinced that, many years from now, when Pepperdine University celebrates a century of Bible Lectures, this annual series will continue to be a stimulating forum for the renewal and restoration of New Testament Christianity.

“Now the Lord said to Abram,

'Go from your country and your kindred

and your father’s house to the land that I will show you. I will make you a great nation,

and I will bless you and make your name great,

so that you will be a blessing. I will bless those who bless you, and the one who curses you I will curse; and in you all the families of the earth shall be blessed.'

So Abram went,

as the Lord had told him...”

Genesis 12:1-4A
