Life Together
The Heart of Love & Fellowship in 1 John
Life Together

“But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin.”

1 John 1:7
New International Version
Message from the President

Life together. What a stirring thought! The theme for the 2006 Bible Lectures is a marvelous call to the light — a call to leave behind the darkness of hatred, division, and lawlessness ... and to enter into the redemptive light of God Himself.

Sadly, we live in what I would call an "age of disconnect." Many people, even Christians, gradually become disconnected from one another for a variety of reasons. As the years pass, there seem to be expanding barriers, multiplying splinter groups, and increasing division. People become divided because they are so often disconnected from God. The apostle John said, "Anyone who claims to be in the light but hates his brother is still in the darkness." As Christians, perhaps it is time for us to disavow the darkness, to reconnect with our fellow humans and leave the judgment to God.

I try to imagine the venerable old apostle, haggard from years of persecution and exile on Patmos, taking his seat at the front of the congregation in, say, Ephesus. Everyone strains forward to hear the sage words of the last remaining eyewitness of Jesus. He begins quietly, but his voice crescendos as he says, "How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!"

To be honest with ourselves, we should ask, "If the Father has lavished His great love on us — based not on our righteousness, but on His grace — can we continue to be miserly with our love for one another?" There, right there ... is the point of disconnect. We see the lavish love of God. Then we look at our own impoverished love.

I hope you will accept the challenge this year of not only attending the Bible Lectures, but also of basking in God's love ... to the point of reconnecting with all people, whether "brothers and sisters" or "enemies." For love on our part is the divine imperative. Whether we are loved or hated, our obligation is to love.

You are most welcome on the campus of Pepperdine University, because part of our mission is addressed in these Bible Lectures. And when you come, come to be purified and renewed in purpose. Discover again our life together. Reconnect!

President
Pepperdine University Affirms

THAT GOD IS

That God is revealed uniquely in Christ

That the educational process may not, with impunity, be divorced from the divine process

That the student, as a person of infinite dignity, is the heart of the educational enterprise

That the quality of student life is a valid concern of the University

That truth, having nothing to fear from investigation, should be pursued relentlessly in every discipline

That spiritual commitment, tolerating no excuse for mediocrity, demands the highest standards of academic excellence

That freedom, whether spiritual, intellectual, or economic, is indivisible

That knowledge calls, ultimately, for a life of service
Welcome to Pepperdine University and to the Bible Lectures for 2006. Everything is ready: the lecturers and teachers, the worship and drama groups, the display presenters, and the various services have been preparing for months, all to make your time at Pepperdine enjoyable and edifying. The Malibu campus is sparkling — it has never looked better. All of the new buildings are now integrated into the landscape, and the trees and various plantings have matured. By day the campus presents inspiring Mediterranean architecture and stunning panoramas of the Pacific Ocean and Santa Monica Mountains; by night it is transformed into a twinkling wonderland, with the lights of Santa Monica and Palos Verdes stretching out beyond the bay like a diamond necklace. It is an inviting place in which to study.

But this beautiful place is only a setting for the real attraction. The center of our attention is, and always has been, the One True God and His Word to humanity. Every year He seems to give us a theme and a direction that speaks to our moment in history. Our theme this year, "Life Together," is an idea that is timely and more than worthy of exploration. The Christian world and the church itself are divided as never before. Learning to love others, learning the deepest meaning of fellowship, both with God and with one another — these are the things we will endeavor to do as we look again at the timeless words of John, the apostle of love.

Love and fellowship are crucially needed because of the alienation with which we are surrounded. They are needed in the church, in marriage, in the family, in the workplace, and in the community. Deep down, we all long for more love in our lives. And we long for a pure fellowship, where we accept one another and build up one another in Christ. Perhaps something will be said or done in this series of lectures, or in the classes or the worship opportunities, that will call you back to that time when you were touched so deeply that you gave your life to God.

So, while we have done everything in our power to make your stay in Malibu comfortable and enjoyable, our first concern is to present for you a program that literally changes your perspective, so that you become a more useful Christian in God's service. We are glad you have set aside some time in your life for this Bible Lectures series. And now, open your heart to the love and fellowship found in the marvelous little book of 1 John ...

Howard Norton grew up in Fort Worth, Texas, and has been preaching since he was a teenager. He graduated from Abilene Christian University with a B.A. degree, from the University of Houston with a M.A. degree, and from the University of Sao Paulo with the Doctor of Human Sciences degree.

He and Jane Pearce met while students at Abilene Christian University. They married in 1956. Jane was born in Central West Texas but spent her childhood years in California. She graduated from Abilene Christian University with a major in elementary education. Jane has been a university teacher of missions and the Portuguese language.

From 1961 to 1977, the Nortons and their children were the first members of the 1961 Sao Paulo Mission Team. This effort has served as a model for scores of mission teams since that time. Jane worked with children and young people, taught English as a second language, and became well-known for her gracious hospitality. Mission work continues to be a major emphasis of Howard and Jane. They take a campaign group to Brazil or the Czech Republic nearly every summer and are involved in other mission activities.

Howard served as a minister of the word for churches in Brazil, Texas, Oklahoma, and Arkansas. He was associated with Memorial Road Church of Christ in Oklahoma City and with Oklahoma Christian University for about 25 years. While at Oklahoma Christian, he taught Bible and missions and served as dean of the College of Bible.

Howard was editor of The Christian Chronicle, an international newspaper of Churches of Christ, from 1981 to 1996. He wrote The Eldership and the Missionary: A Manual for Independent Missions and has contributed chapters to numerous books including The Discipling Dilemma and Directions for the Road Ahead. He is a member of the board of trustees of Southern Christian Home in Merrillon, Arkansas, the corporate board of Restoration Quarterly, and the board of the Continent of Great Cities and of Missions Resource Network. He is a contributing editor of 21st Century Christian and is one of the directors of both the Pan American and Pan European Lectureships.

The Nortons now live in Searcy, Arkansas, where Howard is a professor of Bible and assistant dean for Church Relations at Harding University. He is editor of the Arkansas Christian Herald, an associate editor for Church and Family magazine and a columnist for Searcy's The Daily Citizen. He directs Harding's annual Bible lectureship and is an elder of the College Church of Christ in Searcy.

The Nortons have three married children: Dr. Laurie Diles of Searcy, Arkansas; Tom Norton of Washington, DC; and Ted Norton of Edmond, Oklahoma. They also have eight grandchildren. Howard and Jane will celebrate their golden wedding anniversary on May 31, 2006.

National Day of Prayer  
May, 4th, 2006  

Pepperdine University reminds those attending the Bible Lectures that the National Day of Prayer occurs during our time together. This annual emphasis on prayer, established by Congress, encourages Americans to pray for our nation, its people, and its leaders. The theme for National Day of Prayer in 2006 is “America, Honor God”.

Appreciation Dinner in Honor of Maurice & Marie Hall

Place: Rockwell Dining Center

*Please purchase tickets ($10.50) in advance at Ticket Sales tables.

Maurice Hall was born in Palestine, Texas, on March 5, 1920. He was baptized into Christ at the age of 16 and preached his first sermon the same year. He received his A.A. Degree from David Lipscomb College in 1939 and took his first full-time preaching job in Erowah, Tennessee, where he met Marie Cline. They were married on March 22, 1940. The Halls were in military service from 1942 to 1948, and worked with Otis Gatewood and Roy Palmer in starting a new mission work in post-war Germany. Returning to the States, Maurice graduated with his B.A. from Abilene Christian College in 1949. They immediately returned to Europe and became pioneer missionaries for Churches of Christ in Paris, France, serving from 1949 to 1958.

The Halls returned home in 1958 and Maurice completed his M.A. from Harding Graduate School in Memphis, Tennessee, in 1959. That same year they assisted President Otis Gatewood in launching Michigan Christian College (now Rochester College) in Rochester, Michigan. Maurice served as assistant to the president from 1959 to 1963. During these years the Halls worked with Churches of Christ in Royal Oak and Dearborn Valley. With the Viet Nam War accelerating in the early 1960s, the Halls were challenged to be pioneer missionaries again - this time in the dangerous setting of Saigon. For three years, from 1963 to 1966, they laid a foundation for the cause of Christ in that diverse urban location.

Returning home, they devoted twenty years to ministering with Churches of Christ in Wichita, Kansas (1966-1973); Allen Park, Michigan (1973-1978); and Whittier, California (1978-1985). Then a desire to be involved in broadcasting the gospel around the world led them to move again - this time to Casablanca, Morocco, where Maurice served for a decade (1985-1995) as vice chairman of the World Christian Broadcasting Corporation.

The Halls were involved in mission work in Russia and Belarus in the 1980s. Before the demise of the Soviet Union, they were held under house arrest there. Just within the last few years, the Halls fearlessly made a trip to Casablanca, Morocco, where they brought a young man to the Lord. As a result of this young man’s conversion, many Moroccans have now been brought to Jesus.

Maurice was named Harding Graduate School Alumnus of the Year in 1990, and he and Marie received the Outstanding Christian Service Award from Pepperdine University in 1998. For the past ten years, Maurice has served as an elder for the Sierra Madre Church of Christ in California.

The Halls have two married sons, James of La Habra, California, and Ron of Newbury Park, California. Their son, William, was killed in combat during the Viet Nam War. They also have five grandsons and one great granddaughter. In the photograph above, Maurice and Marie are shown celebrating their 65th wedding anniversary on March 22, 2005.

Looking Back 45 Years: Opening Night of the Pepperdine Bible Lectures in the Spring of 1961 at the Shrine Auditorium in Los Angeles.

The Pepperdine University Bible Lectures

Anchored in the Past, Committed to the Future

The Pepperdine University Bible Lectures began in January 1943 and were modeled after similar programs at Abilene Christian, David Lipscomb, and Harding universities.

Throughout the years of the 1940s, this significant annual forum grew in popularity, but the early 1950s saw a decline in attendance, and no program was scheduled in 1957.

The Bible Lectures took on new life with the arrival of M. Norvel Young and J. P. Sanders in the fall of that year. And by 1961, the keynote lecture program had to be moved to the Shrine Auditorium to accommodate the large numbers of people who wanted to attend. In the following years, the huge Los Angeles Sports Arena became the scene for the largest evening lectures.

The University added a special program of summer Bible Lectures for 10 years beginning in 1958. However, the programs were again declining in attendance by the late 1960s and the summer lectures ended in 1967.

When Pepperdine moved to its new campus in Malibu in 1972, there was a renewal of interest in the Bible Lectures. Since that time, the lectures have grown in interest and attendance every year.

As the University moves forward into the future, it is fully committed to pursuing the very highest academic standards within a context which celebrates and extends the spiritual and ethical ideals of the Christian faith. The Department of Church Relations is convinced that, many years from now, when Pepperdine University celebrates a century of Bible Lectures, this annual series will continue to be a stimulating forum for the renewal and restoration of New Testament Christianity.
