SUMMARY OF CHANGES MADE

In the final edition of this paper, I firstly single-spaced it, as it was originally double-spaced. Next, I made amended all headings into Small Caps and placed the appropriate space in between headings and paragraphs. Editing the paper to be single-spaced greatly lessened the number of pages, so I went about renumbering the pages and removed any mention of my name from the paper. Finally, I got rid of the indentation in the first paragraph after a heading, as requested by reviewers.
